

WORDS FROM THE PASTOR

During the online fellowship last Friday, a brother shared his study on “plagues” in the Bible, including an incident at Numbers 16. One detail there deserves our special attention.

250 well-known leaders led by Korah rose up against Moses. The earth opened its mouth and swallowed them. The next day, the whole Israel grumbled against Moses. Wrath has come out of the LORD and a plague had started. Moses immediately hurried Aaron to the assembly to make atonement. Numbers 16:48 says, “He (Aaron) stood between the living and the dead, and the plague stopped.”

Many frontline heroes are standing “between the living and the dead” . Their presences literally stop the extension of death. As followers of Christ, we have to ask ourselves honestly of where are we standing. Does my presence bring others life, hope, and blessings? Is there anyone, because of me, receives the blessing of salvation?
